

Katrina Booker, MBA

KEYNOTE SPEAKER | FACILITATOR | CONSULTANT

As a certified leadership consultant, trainer, and speaker, Katrina Booker, M.B.A draws on her 20 years of corporate experience, along with being an entrepreneur to help transform the lives of women.

Through captivating and thoughtful delivery of her workshops, social media engagement, & one on one consults, she is empowering women to raise the bar, and take control of their career & leadership destinations.

Katrina is the founder of Lead to Power and is dedicated to empower women to become bold influential leaders by gaining confidence, clarity and conviction so that they can lead with power and purpose. She is the creator of Vision Strategy Sessions which includes quarterly workshops and accountability calls.

SPEAKING TOPICS:

Awake from Career Coma: Strategic Steps to Breaking Free from Fatigue to Your Best Career

Cover practical steps to energize, gain control, and dominate in you career lane. After this session, attendees will have the knowledge to break free from burnout to their best career yet.

My Vision - My Strategy: Gain Confidence, Set Vision Execute

Attendees will get clarity on personal and professional Vision, make a plan, and leave prepared to execute.

5 Critical Components to Creating Culture Shift & Racial Equality

Discover the 5 pillars to creating lasting change in the workplace, leading to better performance and innovative processes.

PRAISE FOR KATRINA:

"Why would I recommend attending? Everyone needs a plan. We make goals but usually without a plan. I recommend that every one attend to get clarity and accountability. This has been phenomenal and life changing!" - C. Baines, Manager, My Vision - My Strategy Workshop

"What I liked most about the event was the strategy session. Loved the speaker's passion and transparency. She will carry you to accomplishing dreams and goals you could never imagine."- L. Smith, Owner, Thurman Construction Co.
